TAA, in compliance with 49 CFR § 26, has adopted a program regarding the participation of DBEs on federally funded projects. TAA has set an aspirational 7% (7% of the dollar value of the contract) DBE participation goal for this contract. Specifically, it is the goal of TAA to ensure that, to the extent reasonably possible and consistent with other legal requirements that: (a) DBEs are not discriminated against in the award and administration of TAA's contracts; (b) a level playing field is created on which DBEs can compete fairly for TAA's contracts; and (c) any barriers to the participation of DBEs in TAA's contracts are removed

For grant funded projects, additional terms and conditions may apply as set forth in the RFQ and proposed Contract Documents.
