## DIRECTOR INTEREST FORM

Please explain how the TAA will benefit from your service on the Board of Directors.

**The last 12 years on the Airport Authority participating on several councils including reviewing Employee Benefits, Financial Consulting Services and contractors, as well as chairing the Risk and Audit committee for the past 2 years has prepared me for serving on the Board. In addition to my experience on the Authority, I also bring over 32 years of finance and banking experience, including 8 years as the relationship manager (banker) for the Authority before joining the Authority. I bring a strong understanding of the Authority financials and the budgeting and finance processes.**

**In addition to my experience on the Airport Authority and my financial background I have been a Commercial/Business Banker in Southern Arizona for the past 27 years creating relationships with some of the largest businesses and the organizations that support them. I believe the success of the Tucson Airport is key to the economic growth of Southern Arizona and as a Board Member I will work to keep the Authority strong and continue to be an advocate for our airport in the community.**
