RE: LETTER OF INTEREST OF NOMINATION - TUCSON AIRPORT AUTHORITY BOARD

Dear Ms. Silvyn,

Being nominated to serve on the Tucson Airport Authority Board is truly an honor. I am inspired by the Authority's enduring commitment to enhancing the quality of life for the residents of Southern Arizona and the actions it has taken to improve the economic well-being of our community. This mission aligns perfectly with my values and commitment to further support economic diversity and a high quality of life in the region.

Tucson is the first place I called home and where I began my undergraduate experience at the University of Arizona. After moving to the Pacific Northwest, finishing school, and starting my firm, the desert eventually called me back home. In 2019, I expanded my firm to Tucson. This provided me the opportunity to reinvest in the thriving and uniquely special communities of Southern Arizona.

Our firm is guided by fundamental principles of giving back to the community, seeking sustainable solutions, and creating accessible architecture for everyone. Tucson helped shape who I am today, and I would be honored to give that gift back. With over 20 years of professional experience and an evergreen commitment to integrity, community service, inclusion, and accessibility, I proudly intend to represent the City of Tucson and the Tucson Airport Authority.

This opportunity is a continuation of my commitment to Southern Arizona. Throughout the last several years, I have been humbled and delighted by the opportunity to support many other Southern Arizona organizations and causes including:

- Supported the Cologuard Classic through the Tucson Conquistadors
- Sponsoring the FC Tucson Women's Soccer Team
- Becoming a CREW Tucson member and awarded the Entrepreneurial Spirit Award
- Becoming a member of the Arizona Association for Economic Development
- Serving on the Urban Land Institute – Southern Arizona Committee
- Serving as a Reviewing Architect for the Butterfield Architectural Review Committee
- Participated in the Junior Achievement of Arizona – Southern District
- Being the Architect for the award-winning Place at Riverwalk apartment complex in Tucson, amongst many other commercial projects in Southern Arizona.

I appreciate the opportunity to be considered as a nominee for the Tucson Airport Authority. My uncompromising work ethic, community-oriented values, and commitment to sustainable solutions make me a valuable asset to the Board. I look forward to discussing the possibility of serving together. Thank you for the opportunity.

Sincerely,

Angela Gee, AIA
