

CALLING ALL CONSULTANTS, CONTRACTORS, AND INTERESTED STAKEHOLDERS

The Tucson Airport Authority (TAA) has a Disadvantaged Business Enterprise (DBE) Program for federally funded projects. A requirement of this program is to establish a percentage goal of DBE participation in our projects. TAA will be setting an overall goal for the next three years (FY 2024-2026). As part of this process, the TAA would like to invite interested parties to attend a meeting for the purpose of gathering comments regarding the availability of disadvantaged and non-disadvantaged businesses, the effects of discrimination on opportunities for DBEs and the TAA's efforts to establish a level playing field for the participation of DBEs.
