

Tucson International Airport Ground Transportation Provider Questionnaire – 2017

Greetings! In an effort to provide improved customer service, we will begin listing on our website www.flytucson.com all current Ground Transportation Providers eligible to pick-up passengers at Tucson International Airport. This is not advertising, but merely an informational listing for prospective passengers of available companies and their phone numbers, along with anticipated service areas.

Please select below ONE service area category that best suits the description of your service range. If you serve more than one but don't do "statewide" then please select those that do apply.

If you do not return this survey, then you will not be included in our website listings. Companies not in good standing due to non-payment, insurance lapse, or other compliance issues will also not be listed.

Return completed survey to Dee Brunner via one of the following methods:

- Include with mailed invoice payment
- Fax to 520-573-8029 or scan and e-mail to dbrunner@flytucson.com
- Deliver to TAA Ground Transportation, in the Administration Office at 7250 South Tucson Boulevard, Suite 300 (3rd floor, main terminal)

PLEASE SELECT ONE SERVICE AREA THAT MATCHES YOUR PROVIDED TRANSPORTATION:
