

Thank you for your interest in the airport's performing arts program!

Purpose

Tucson Airport Authority has initiated a performing arts program *Live@TUS* for individuals or groups to provide a cultural experience for our traveling public, meeters/greeters and employees at the Tucson International Airport. Compensation for performances is not available at this time.

Designated areas have been selected in the main terminal as performance locations and include both Welcome Lounges in baggage claim area on the lower level. Other locations are available as appropriate for the group and occasion.

Eligibility

Eligibility is limited to professional performers living in the airport's trade area: Pima, Pinal, Cochise, Santa Cruz Counties in Arizona and Sonora, Mexico. Group size is a consideration.

Application Process

Performers and groups wishing to participate may submit an application form by mail (Tucson Airport Authority, 7250 South Tucson Blvd, #300, Tucson, Arizona 85756), or email (art@FlyTucson.com). Forms are also available on the airport's website (www.FlyTucson.com) or by calling 520-573-8187.

Review Process

Submissions will be reviewed by airport staff. The Airport reserves the right to approve or reject any submission for review. Repertoire must be appropriate for the airport's public audience. All types of music are encouraged. Groups may be limited by space constraints.

Those selected for *Live@TUS* may be required to submit a description of the performance and musical selections along with written materials (statement/background) that will be used to promote the performance. Performers being compensated will be required to provide a Department of Treasury W-9 form. The Airport will arrange scheduling for all performances.

Set Up and Tear Down

Performers are responsible for bringing, setting up and removing their own equipment. Advance approval is required for all promotional material. The Airport will not act as an agent for any performers.
