PROJECT TEAM //

Architect: DWL Architects + Planners

Contractor: Sundt Construction

Electrical Engineer / Special Systems: Monrad Engineering

Mechanical Engineer: Adams & Associates Engineering

Structural Engineer: Martin, White & Griffis Structural Engineers

Program Manager/Commissioning: Hill International

GENERAL INFORMATION //

Location: Tucson, Arizona

Project Start Date: Fall 2013 (design), Spring 2016
(construction)

Project Completion: November 2017

Total Project Square Footage: 382,045 SF

Total Project Budget: \$28M

Delivery Method: Construction Manager at Risk

Construction Type: Renovation

SECURITY CHECKPOINT // B GATES

Opening: April 18, 2017

Security Checkpoint - B Gates SF: 92,579 SF

SECURITY CHECKPOINT // A GATES

Opening: August 2017

Security Checkpoint - A Gates SF: 92,579 SF

OVERALL PLANNING FEATURES //

Passenger Flow: superior travel experience, integrated security checkpoint, intuitive wayfinding, improved queue

Space Utilization: reconfigured terminal, maximized underutilized space, open design, planned space for pre-security restaurant and retail spaces, consolidated non-public spaces, maximized ceiling height

Visual Connectivity: increased glass facades, views to airfield and distant vistas

Sustainability: integrated LED lighting, automated light sensory shade system

Infrastructure Improvements: upgraded electrical and IT systems, open design

Customer Service: phased design to minimize passenger inconvenience, addition of recomposure area, integrated art, convenient business center location, increased airside restroom access

INTERIOR FEATURES //

Security: consolidated checkpoint, increased checkpoint lanes and space, infrastructure to expand to 10 lanes, revised exit lane flow

Amenities: addition of composure areas, infrastructure for new and enhanced food and retail shops, business center, modernization of terminal and aesthetic, children's play area

Technology: wifi, digital information monitors in checkpoints

Finishes: modern finishes, upgraded colored terrazzo floors, furniture varieties, Arizona color palette
