Please briefly explain how the TAA will benefit from your service on the TAA Board of Directors.	
<p>My work in TAA councils and committees has provided a good grounding in the operations and finances of the airport. I believe that this, combined with my 30 years experience in advising small and large businesses throughout my legal career, advocacy before the courts and other governmental agencies, and prior service on nonprofit boards, including leadership positions, allows me to bring a well rounded perspective to the board. I am able and willing to dedicate the necessary time to fully understand the issues before the board and familiarize myself with the pertinent issues. I attach my CV</p>
