Section 1.3 The corporation shall have a corporate seal which shall be of such form as the Board of Directors may determine. The Board shall determine the custody, number and use of the corporate seal. The seal shall have inscribed on it the name of this corporation and the year of the corporation's creation and the words "Corporate Seal, Arizona." The Board of Directors may change the form and inscription of the seal as they deem appropriate.

ARTICLE 2

MEMBERSHIP

Section 2.1 QUALIFICATIONS AND CLASSIFICATION

2.1.1 The membership of this corporation shall be confined to people who live in and maintain their primary residence in the Tucson International Airport air service area, which includes the general Southern Arizona region, who have repeatedly evidenced their interest in the promotion of air transportation and commerce.

2.1.2 The membership shall be divided into two categories to be known as "Members", and "Emeritus Members."

(a) Members.

(i) A Member shall be entitled to vote at any meeting of Members and at any meeting of a council of which he or she is a member. A Member shall be committed to accept Advisory Council appointments; support the interests of the Authority; not act in conflict with the interests of the Authority; actively participate in Authority activities; make every reasonable effort to attend Council and Membership meetings; support the Tucson Airport Authority in all reasonable ways requested by the Chair of the Board, the President/CEO or the Chair of the Council; and contribute his or her expertise as requested. If a Member does

not meet these membership requirements, the Board of Directors may, by vote of the majority of the membership of the Board of Directors (e.g., if a Board of 9 total directors, 5 votes are required), terminate such person's membership in the Tucson Airport Authority.

(ii) Members will serve for an initial fifteen (15) year term. Any Member may apply to continue as a Member for one successive 5-year term by providing notice to the Chair of the Nominating Council no sooner than April 1 and no later than October 1 in the year preceding the expiration of his or her initial term. Applications for continuing membership shall be considered and voted upon as described in Section 2.2 below.

(iii) Terms of Members and continuing Members shall begin on the date of the annual meeting at which their membership or continuing membership was approved and end after fifteen (15) years for Members, or five (5) additional years for continuing Members, on the day prior to the date their membership or continuing membership was approved.

(iv) Any Member serving on the Board of Directors or an Advisory Council shall have his or her membership term automatically extended (whether the initial term or subsequent term) until completion of his or her service as a Director or Council member.

(b) Emeritus Members.

(i) Members who have completed a minimum of ten (10) years of service may be considered for Emeritus Member status. Emeritus Membership shall be limited to those members who have provided distinguished service to the Authority over a sustained period of time. All applications to be considered for Emeritus Membership must be submitted to the Nominating Council, which will evaluate the application and make an appropriate recommendation to the Board of Directors. Such change in classification requires approval by a majority vote of the Board.

(ii) Emeritus Members will:

(1) be invited to the membership business meetings of the Tucson Airport Authority, but not entitled to vote;

(2) be invited to all Tucson Airport Authority membership social functions;

(3) retain parking privileges at the airport as provided to all TAA members; and

(4) be utilized as invited and, if willing, as consultants to the Tucson Airport Authority on special issues.

(iii) A person who has entered Emeritus Membership classification shall not be counted in the membership limitation provided in Section 2.2.2 hereof.

~~(iv) Those members designated as “Life Members” as of the date of these Bylaws (November 1, 2017) shall be automatically converted to Emeritus Members without further application or approval. In addition, those members with 15 years or more of service on or prior to January 31, 2018, may apply for Emeritus status directly to the Board as described in the previous version of these Bylaws, provided that such requests are submitted no later than June 1, 2018.~~

2.1.3 Individuals who are elected officials or high-level employees of any branch or level of government, except for elected officials or employees of indigenous/tribal nations and public educational institutions, are not eligible for TAA Membership. For these bylaws, “high-level” shall mean any position that exercises decision making authority over a significant range of strategic or tactical matters involving that governmental entity or a division/department of that governmental entity. Determinations on whether a person is in such a “high-level” position shall be made by the Nominating Council, on advice from TAA’s General Counsel. Any current TAA member, as of the effective date of the bylaws containing this amendment, who is currently an elected official or high-level government employee retains all rights and privileges under these bylaws as a Member of TAA. However, no current Member who is an elected official or high-level government employee is eligible to serve on the TAA Board of Directors.

Any current Member who becomes an elected official or high-level employee defined above after the effective date of the bylaws containing this amendment shall have their Membership suspended for the period they serve as an elected official or high-level government employee. Suspended Members retain all privileges of Emeritus Members under these Bylaws. Any suspended Member must resign from the Board or any Advisory Council on which they currently serve. The term of their Membership shall be tolled until they no longer are an elected official or a high-level government employee. When their period of service as an elected official or high-level employee ends, the Member shall regain all rights and privileges of a TAA Member under these bylaws as of that date.

Any suspended Member whose active Membership plus tolling period extends for more than ten (10) years is eligible to apply for Emeritus Member status under Section 2.1.2(b).

For purposes of the numerical limitation of Members provided in Section 2.2.2, suspended Members shall be included in the count of total number of Members.

Section 2.2 The election of new and continuing members shall be by secret ballot of the existing Members present in person or by proxy at the annual meeting of members and no one may be considered elected a member if more than one-quarter of the votes cast are negative.

2.2.1 If a Member or Emeritus Member of the Authority in good standing desires to nominate for membership in the Authority a qualified person who is not then a Member, to be voted upon pursuant to the provisions of these bylaws, such Member or Emeritus Member shall nominate the person, pursuant to the process established for such nominations by the Nominating Council, no sooner than April 1 and no later than October 1 in the year preceding each regular annual meeting date. Members who desire to be considered for a Director position

shall submit their application form and materials to the Nominating Council by October 1 in the year preceding each regular annual meeting date.

2.2.2 All nominations for new or continuing Members of the Authority shall follow the process described in Sections 2.2.1 and 2.2.2. The Nominating Council shall review and consider all timely submitted new membership, continuing membership, and Director submittals. By November 20 of each year, the Nominating Council shall make its recommendations for new members, continuing membership, and Directors to the Board of Directors for the Board's consideration and action.

Nominations for the office of Director may also be submitted by written petitions signed by not less than twenty-one (21) voting Members in good standing; provided each petition includes all information required to be submitted by Members filing a nomination/or their own request for a director position. Such petitions must be submitted to TAA by November 20.

The Board of Directors shall review the recommendations on nominations for new members, continuing membership, Director nominations (including those submitted by petition) and slate of officers, and may, by a majority of Board membership, vote to direct reconsideration of any individual member or director nominee back to the Nominating Council. Any nominee not directed for reconsideration by the Board shall be forwarded to the Members in accordance with Section 3.5.1 below.

The Nominating Council, at a special meeting scheduled for this purpose, shall reconsider any nominee the Board so directs, and by simple majority vote, shall act on that nominee's nomination. Any nominee approved by the Nominating Council after reconsideration shall then be forwarded to the Members in accordance with Section 3.5.1 below.

The maximum number of TAA Members shall be sixty.
